Brief Welcome Message from your new Chapter Executive

Our first meeting will be this Wednesday at the Finish Line at 6:30 p.m. we would love to see as many of you as possible, we would especially like to see all of the new officers there if you can make it, hopefully by now someone has let you know if you were elected as an officer in the club.

The new website is up and running, refresh often as there will be frequent changes to the site, I will be posting all pictures I have received from last year so far and if any of you have more in electronic format, preferably .jpg images I will do my best to post them if you send them to me by email at tjfriar@digisys.net. We have plenty of room on the server for images now so don't hesitate to send me whatever you have. Things to look for in the future will be posting of all times from the first run through the last for each event instead of just posting the fastest time for each car. We also look to have some menu driven options for sorting times by event or driver or both, and an enhanced picture section of the website this year as we start to log some events. For those of you technically inclined folks, we have our hosting on a Cold Fusion server (I will be using Microsoft Access as the database to drive Cold Fusion) so we will be using data driven web pages as the year continues and I have time to develop the pages. If there are any of you that are familiar with coding in Cold Fusion and would like to provide additional assistance in setting up some of the forms and things your assistance would be greatly appreciated. Once the site is set up, there will be very little maintenance involved, simply loading the data and images from each race onto the database on the server will update the site automatically.

Our treasurer Jeff Lawler reports a bank account balance of \$1479.32 on 2/10/03

Some things for discussion at this meeting;

- Website suggestions/comments/complaints (hopefully not too many complaints!)
- Newsletters via email for those that would like it - (To save on postage)
- Increased costs of trophies and awards
- Future Meeting Times/Dates
- Sponsors for this year
- General Car talk - its been a long winter without the Sports Cars!!!

We look forward to seeing you all at the meetings and club events, don't be shy about coming to the meetings this year everyone is always welcome and your in-
